

The Vermont Commission on Women would like to know about the most important issues facing women in Vermont. We are doing this survey to learn about what is working well, and what is not working well. Anything you share with us will help us understand how we can best help women in Vermont.

*Your answers to this survey are completely anonymous and confidential.
Nobody will know what answers you gave, so you can feel free to tell us whatever you want.*

1. Which of these issues are areas of concern for you and your family? (circle all that apply)

- | | | |
|---------------------------------|------------------------------------|--------------------------------------|
